## PSYCHIATRIST

Dr Aleksandra Isailovic has a strong background in independent medical reporting. She has been an expert witness in both criminal and civil psychiatry since 2004. Her experience is further supported by the completion of Comcare training for permanent impairment assessment, PIRS and GEPI certification as well as RSVP and PCL-R training. Dr Isailovic is a Medicott Award winner (2004) for the best research publication in forensic psychiatry (Substance Use Disorders in Mentally Ill Violent Offenders).

Dr Isailovic currently holds the position of Associated Senior Lecturer in Psychiatry at the University of Queensland and is a practising consultant psychiatrist in the Brisbane private sector. As a member of Workers Compensation Regulator – Medical Assessment Tribunal, she is regularly performing the assessments of work-related injuries and consequent impairment rating.

Dr Isailovic's assessment specialties include, but are not limited to, criminal responsibility, stress and trauma related conditions (PTSD, anxiety and adjustment disorder etc.), pain syndrome, chronic fatigue syndrome and depression.
