DR ANDREW JAKOBOVITS

GASTROENTEROLOGIST

Dr Andrew Jakobovits is in fulltime practice as a gastroenterologist. He is a member of the Visiting Medical Staff at the Alfred Hospital in the Gastroenterology Unit. He has been an independent medical examiner for WorkCover for a period of 10 years. He also takes an active role in teaching with a Senior Lecturer position at Monash University Department of Medicine at the Alfred Hospital. In addition, he provides instruction on the AMI Guides Chapter 10, which concerns the gastroenterology section.

Dr Jakobovits is accredited to conduct WorkSafe assessments for the Victorian WorkCover authority. His assessment specialities include gastroenterology conditions and alcohol and substance abuse. Some of his professional interests include liver disease, inflammatory bowel disease and peptic ulcer disease.
